AOC VENTOUX
LE PETIT NYSSE
RED

CHÂTEAU
LA CROIX DES PINS

TERROIR

Petit Nysse is a wine made from Grenache grapes and old Carignan vines grown in a special terroir that benefits from the coolness of the Ventoux but is protected from the excesses of the climate by a small mountain. This very special terroir produces a rich, fragrant wine with the scents of Provence.

VARIETIES

Grenache 90% - Carignan 10%

VINIFICATION

Hand-picked. The grapes are destemmed, followed by a long maceration during which the pomace is watered frequently but gently. Traditional vinification and 5% of the volume matured in French oak barrels.

TASTING

A deep, brilliant garnet-red colour. On the nose, notes of garrigue, chestnut and chestnut purée. The palate explodes with aromas of black fruit, blackcurrant and black pepper. The structure is supple but full-bodied, before wonderful notes of dark chocolate appear on the finish.

Serving temperature: 16 to 18°C
